

FIRST DAY'S RACE MEET AT THE FAIR

Track Was Fast and Weather
Good but Best Horses
Not There.

BUT MORE ARE COMING TODAY

Harry Curtis Announces a Good Program for This Afternoon—Harness Events Pleased the Crowd.

Although the weather was fine and the track at the state fair fast, the races yesterday afternoon were not as good as expected for the reason that some of the fastest horses whose names were entered did not arrive. They will be here this afternoon's meet, however, and then things will be different.

Yesterday afternoon's program consisted of harness and running events, but the former carried off the fastest race so far as the spectators were concerned.

A 200 trot and pace was the first event. The first heat was taken by Pickett. A second heat was nothing to it but Simpson, and the wonder is that that animal won the first heat. He took three gaited seemingly without an effort.

There was great disappointment because of the failure of the Damned Souvenir, Weston, and All. Appear to be for the day, but live up looked rather slim, there being but five starters. Chapel and Shadley jumped into the lead and fought it out for first place. The horses named above did not appear, there were four more entered in the half-mile event that did not show up. They are on their way here from Grand Junction.

The race between the country horses, the last on the program, was a good one, but got off early start and was never headed.

BIG CHESS MATCH.

Nuremberg, Germany, Oct. 2.—The eleventh game of the chess match between American expert Marshall and Dr. Lasker, of this city, was played at the local club today, when the game was drawn after only twelve moves had been reached. Marshall adopted the Lucy Lopez opening, while Marshall chose the Morphy variation, bishop takes knight. A wholesale exchange of pieces followed and the position was then simplified as to warrant the result. The present score: Marshall, 8; Marshall, 1; drawn, 5.

Pain Weakens And Destroys the Nerves.

Do you know that pain is simply the nerves crying for help?

Has it ever occurred to you that pain weakens and destroys the nervous system?

For this reason you should act promptly in every case of headache, backache, stomach ache, sciatica, rheumatism, neuralgia, toothache, and all other pain. Dr. Miles' Anti-Pain Pills will relieve pain almost instantly, because they act in a natural and harmless manner upon the nerve tissues, and relieve the conditions which cause the pain.

While very prompt and effective in their action, they do not affect the bowels in the least, are perfectly harmless, and leave no disagreeable after-effects.

Delicate women who suffer from headache, bearing-down and periodical pains, can use them with impunity.

You may also give them to children with the assurance that while they will relieve, they cannot possibly harm.

"Dr. Miles' Anti-Pain Pills never fail to cure headache, pain in back of neck, cold pains, neuralgia, or in fact any pain. I have taken them with best results and have given them to others."
